PURVEYORS of FINE GIFTS

# HELLO and WELCOME!

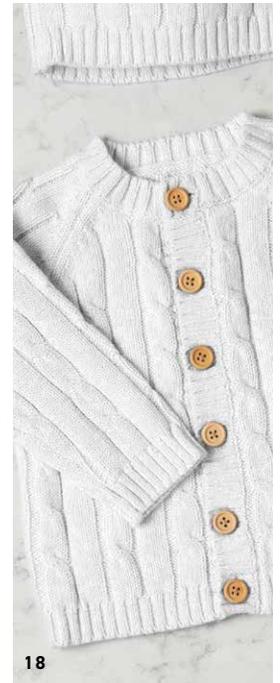

I am very proud to present you with our new catalog! As you can imagine, this year's collection posed a unique set of challenges, but as always, I am incredibly proud of our Baskits family for banding together and creating our best work yet!

As I enter my sixth year as Owner & CEO of Baskits Inc., I reflect on my journey with gratitude and appreciation for each step along the way. From my university days at Queen's and the Harvard Business School, to learning the ropes on Bay Street in banking and private equity, to raising a young family, to finally acquiring Baskits and beginning my dream of owning and molding my own business. This past year has been especially auspicious as we have been named as one of Canada's Top Growing Companies by The Globe and Mail's Report on Business.

Our progress as a company could not be at a better time, as our mission comes into even clearer focus this year: in an increasingly disconnected world, Baskits provides an elegant and thoughtful way to stay connected. We are working extremely hard to fulfill this mission, to provide the very best customer experience, and to ensure our gifts include only the finest products from Canada and around the world. Thank you for your incredible support!

SINCERELY, *Robin M. Kovitz*
